

# Old Kent River

FRANKLAND RIVER

Welcome to Old Kent River Winery & Marron House.

Our vineyard and farm grows the grapes, marron and lamb served on this menu. The Marron are raised in dams on the farm, lambs are reared naturally and when in season the vegetable patch produces some of the vegetables. The marron weights are live weights prior to cooking, and our lamb is cooked on fresh rosemary stick skewers.

## Wine + Drinks

Our range of wines can be tasted at the bar.
